

## RFP Challenge-Specific Agreement

Please Read This Carefully! You are agreeing to a Challenge-Specific Solver Agreement for this particular RFP Challenge only. Enel Global Infrastructure and Networks s.r.l., acting as the Seeker for this Challenge, have required that you accept these special terms, so please take the time to understand them.

Please note that this RFP challenge is managed by Enel S.p.A (also "Open Innovability").

"If you click "I agree" and proceed to the openinnovability.enel.com platform for this Challenge, this Challenge-Specific Agreement ("CSA") will be a valid and binding agreement for all purposes relating to this Challenge and in addition to your agreement to abide by the [Terms of Use](#) when you registered as a Solver." Please print and keep a copy of this CSA. No provisions you have agreed to that are specific to any other individual Challenge will apply.

- 1. Proposed Solutions.** As a Solver you may submit to Open Innovability a proposed solution (your "Proposed Solution") to the RFP Challenge posted on the Website by a Seeker. In addition, by submitting your Proposed Solution(s) you agree to provide additional information concerning your Proposed Solution to the Seeker, if requested. **BY SUBMITTING A PROPOSED SOLUTION YOU REPRESENT THAT THE PROPOSED SOLUTION DOES NOT CONTAIN AND WILL NOT BE DEEMED TO CONTAIN ANY CONFIDENTIAL INFORMATION OF ANY KIND WHATSOEVER.** Solvers with Proposed Solutions that are highly responsive to the terms of the RFP Challenge Statement may be selected and contacted by Seeker for next steps.
- 2. Acceptance of Proposed Solutions.** Open Innovability will notify you whether the Seeker will be continuing to evaluate your Proposed Solution for further business discussions or rejects your Proposed Solution. If Seeker is continuing to evaluate your Proposed Solution, there is no set timeframe by which Seeker must decide whether it is interested in negotiating with you to establish a contractual relationship. The Seeker has absolute and sole discretion to determine whether to proceed with any further business negotiations or discussions surrounding a Proposed Solution. Solver acknowledges and agrees that the Seeker and Open Innovability are not responsible for and have no liability for selection of a winning solver, if any. Solver agrees to hold the Seeker and Enel S.p.A Open Innovability legally harmless for any advice they may provide as to the quality or suitability of submitted solutions and agrees to waive any claim against Enel (OpenInnovability) and the Seeker for Solver's failure to win an award. The meeting of the requirements of the RFP Challenge Statement does not mean that you will be contacted by a Seeker.

**At the time you send any Proposed Solution, in whole or in part, to Open Innovability, and whether or not your Proposed Solution is selected by a Seeker, the Proposed Solution and associated materials (if any) will not be returned.** Seeker, its affiliates, licensees, successors and assigns are in no way obligated to use or continue to use your Proposed Solution (and have no obligation to you or any other person or entity after your Proposed Solution is received).

Please also be aware that your Proposed Solution does not create a confidential relationship or obligation of secrecy between you and any of the entities involved in this Challenge.

You recognize that other persons, including other Solvers, may have provided Seeker or others, or made public, or may in the future submit, or make public, materials that are the same or similar to your Proposed Solution.
