

Discover our new website openinnovability.com!

A fusion of Enel Startup + Open Innovability®.

A digital innovation ecosystem made for you.

Why was openinnovability.com created?

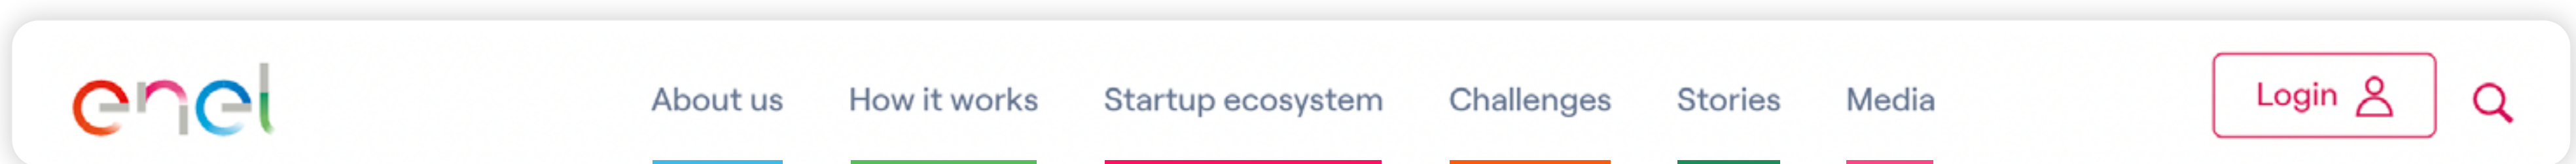

Innovation
Sustainability
**+
OPEN INNOVABILITY®**

Innovation and sustainability work together to power the world and define the energy of the future.

Enel Innovability® was made for anyone who seeks to transform their innovative ideas into impactful projects to help us lead the energy transition.

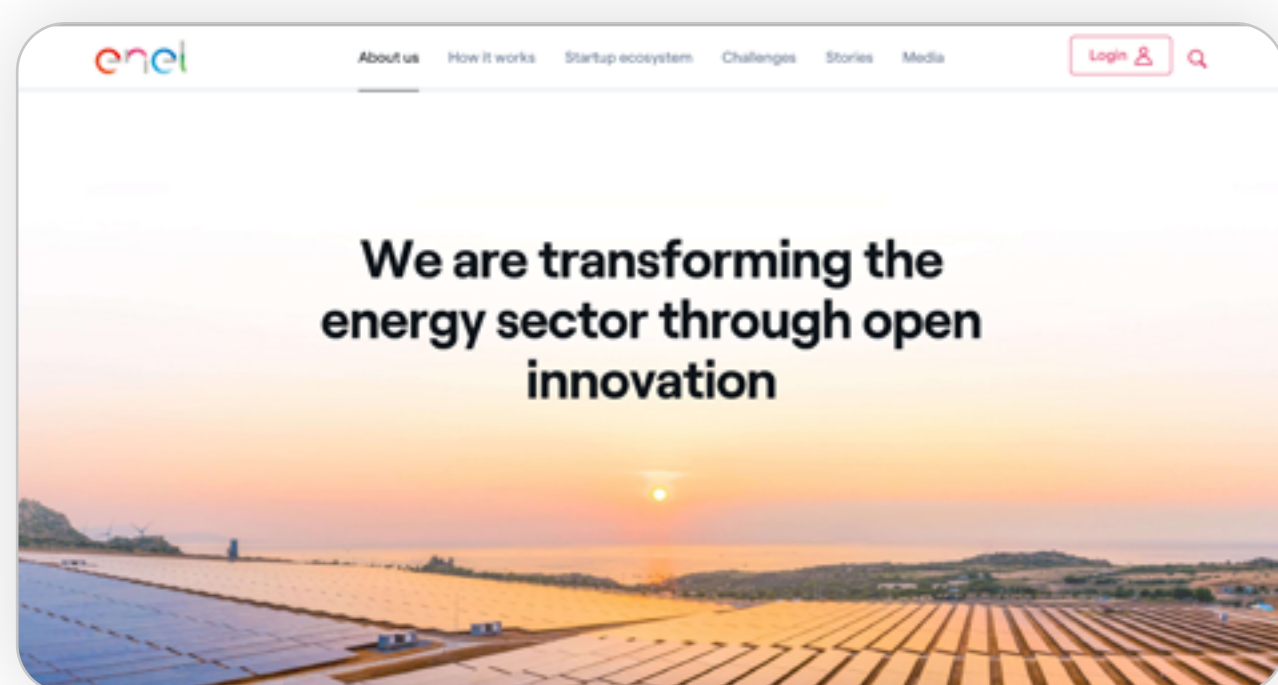

What does it offer?

Innovability® as a seamless one-stop innovation experience.
